

# Ministry Training Course

The NWGP Ministry Training Course is a one-day-a-week course for those who want to understand the Bible better and be equipped to teach it to others.

### Why we teach it:

When the Bible is taught God's voice is heard.

*"Faith comes by hearing, and what is heard comes by the preaching of Christ"*

Romans 10:17

We recognise the vital need in today's church to equip all believers for works of ministry and to develop the next generation of Bible teachers who will faithfully pass on the Word of Truth.

### Who is it for?

Anyone who

- wants to understand the Bible better.
- wants to be equipped to teach it to others.
- has a desire to grow in their faith.

Everyone — whether you are new to training or just want a refresher.

We have a wonderful variety of people join the course, from gap-year students, church workers, secular full timers through to retirees.
