# Associate Minister

**(Women)**

St Andrew's Leyland is looking to appoint a godly and prayerful woman, with suitable training and experience, to join our senior pastoral team as a full-time Associate Minister. She will play a key role in the care of the whole church, specifically taking a lead in discipling and supporting women.

We are an established evangelical church, committed to reaching our town of Leyland and resourcing the growth of God's kingdom in the North West and across the world. We believe that God has given men and women equal and beautifully complementary roles within church leadership and are excited to see someone who shares this vision come and help us live it out in every part of our life together.

Remuneration will be in the range **£31,000-£36,000 per annum (+ pension)**, depending on experience and training. This is based on 45 hours per week, with an annual holiday allowance of 6 weeks (36 days).
